

## See All Bots Bug Report

### Description:

When a player clicks on the button to 'see all bots', no bot cards appear on the screen.

### Steps to reproduce:

1. Navigate to [deployment-lab-tc.herokuapp.com](https://deployment-lab-tc.herokuapp.com).
2. Click on the 'See All Bots' button.

### Expected Result:

- A list displaying all of the bot cards should become visible on screen.

### Actual Result:

- No bot cards display.
- An error in the console logs an uncaught promise from the endpoint '/api/robots'.

### Environment:

- Chrome version 96.0
- Windows 10 OS
